

St Louis Home School Agreement

This home school agreement establishes the school's relationship with the parents and children in the school.

Please do discuss with your child to ensure that they understand this agreement. By choosing St Louis Catholic Academy School, you are agreeing with the following statements and your support of the school.

We are part of Our Lady of Walsingham Multi-Academy Trust where we place Christ at the centre and children at the heart of all that we do. At St Louis, our mission is to be a school where we love to learn and learn to love. We use our Gospel values to guide us.

We are committed to following the United Nations Convention on the Rights of the Child. This is an important agreement by countries who have promised to protect children's rights. The Convention on the Rights of the Child explains who children are; all their rights, and the responsibilities of governments. All the rights are connected; they are all equally important and they cannot be taken away from children. Governors have signed a commitment to promoting these rights.
